

The Middle Georgia Art Association  
presents

**“National Identity”**

A rich culture rooted in tradition, a proud immigrant, a soldier fighting for his country – National Identity represents so much more than just a flag. As we celebrate our country’s independence in July, we’re also celebrating heritage and culture, and where each of us comes from. Where do you find your National Identity?

July 21 – August 11, 2017
